

## **Fellowship PhD on Social Sciences–Geography**

(Impact of employment initiatives on new forms of work)

### **CATHOLIC UNIVERSITY OF MURCIA – UCAM**

**Address:** Campus de los Gerónimos s/n 30107 Guadalupe–Murcia (España)

**E-mail:** [opri@ucam.edu](mailto:opri@ucam.edu) – **Web site:** [www.ucam.edu](http://www.ucam.edu)

**Contact person:** Mr. David C. Heiser

**Activity:** Non for profit private foundation, Vocational Education and University

UCAM is a private university with more than 20 years of history and more than 16.000 students that offers prominent European official graduations, Master Programs, PhD programs and other prestigious titles. Its teaching method is based on a personalized attention with reduced students per classes and a personal tutor for each student. UCAM also offer a modern system of distance teaching.

UCAM is strongly linked with the work world through study plans adapted to market exigencies, obligatory internships in institutions and enterprises in every program and research programs in collaboration with big regional, national and multinational companies.

UCAM is an institution in dialogue with the modern world for the purposes of the improvement of human society as a whole. This spirit is made visible in personalized lectures with a reduced number of students and personal tutors for each student. UCAM shares its values through academic subjects, volunteering projects, meetings, congress and seminars.

### **VACANCY DETAILS**

**Job title:** Fellowship PhD on Social Sciences–Geography

**Number of post:** 1

**Full job description:** a PhD Student is funded to conduct advanced PhD research on the impact of employment initiatives on new forms of work in resilient sectors of the Mediterranean EEA (MED EEA), with a focus on employment in Agri–food and pertinent circular economy.

The PHD Student is recruited after an open call and is, preferably, between 25–29 with a strong background in Social (especially Geography)/Political/Labor Studies. The Student is based for 8 month at the CATHOLIC UNIVERSITY OF MURCIA–UCAM (Murcia–Spain) while collaboratively works with other YOUTHShare researchers from Greece, Cyprus and Italy contributing to the development of the transnational Research Network.

The Student will be academically supervised by UCAM to advance his/her capacity in policies impact evaluation and submits the PhD thesis by the end of the project.
