

Template for an integration programme

Targeted Mobility Scheme (TMS)/Your first EURES job (YfEj) Sweden

The purpose of this template is to make it easier for the employer to apply for financial support for an integration programme, by exemplifying the content.

The employer can choose to:

- use this template,
- modify it to suit their needs,
- create their own.

Instructions:

- To be eligible to apply, the recruiting employer must provide *TMS/YfEj* Sweden with a detailed integration programme for their newly employed candidate.
- The integration programme has to be started within the first three weeks of employment.
- Extent and content of the integration programme may vary depending on the needs of the recruiting employer.
 - If applying for a **basic** integration programme, at least **one** item within *Training modules* needs to be chosen/filled in.
 - For a **comprehensive** integration programme, at least one item within *Training modules* must be chosen/filled in **combined with** *Administrative support and settlement facilitation* (mandatory).
- In case of the recruitment of more than one candidate, please send one integration programme per newly recruited employee.
- Please note that the integration programme has to be signed by both the employee and the employer/ mentor.

The training can vary from individual to group training, conventional 'classroom training' to on-the-job training (e.g. job shadowing, mentoring) or distance training (e.g. e-learning, blended training) or include also other training methods.
